

D-Lab

Project Selection Form

Please indicate your interest in each of the proposed country projects. Be sure that you provide an explanation and describe the skills or experiences that you have that are especially relevant to the projects that you are interested in. Some important information to include: your appropriate language skills, your major, whether or not you will be traveling during IAP. Fill in the form for the trips that were presented in class on Friday, and then print it up and bring it to class on Monday. You will finish filling it in during class and we will collect it before you leave. Even if you will not be traveling over IAP, you will be assigned to a project team. The first project team meetings will be in class on Wednesday, September 30.

Please use the following scale:

- ☆: This is one of my top choices
- ✓: I would like to work on the project
- : I do not want to work on this project
