

## **Dogma film**

here are links to essential dogma materials:

vow:

[http://imv.au.dk/publikationer/pov/Issue\\_10/section\\_1/artc1A.html#i2](http://imv.au.dk/publikationer/pov/Issue_10/section_1/artc1A.html#i2)

certificate:

[http://imv.au.dk/publikationer/pov/Issue\\_10/section\\_2/artc1A.html](http://imv.au.dk/publikationer/pov/Issue_10/section_2/artc1A.html)

with Sloterdijk we considered enlightenment, and reason...

these philosophical concepts are still very important to european thought  
we'll continue to employ them over the next two weeks

michel houellebecq's elementary particles is a reflection on morality (and on the emergence of science as the only arbiter of meaning)
