

christa wolf: the leftover baggage of german history

who is juergen habermas?

who is wolf? what was the "was bleibt" controversy?

what's the leftover baggage

what's the zero hour?

what's the debate bw jh and cw?

111/ jh says the east german SED had nazi tendencies

113/ jh compares gdr to nation of workers and peasants

113/ jh fears communism more than anti-semitism

114/ jh criticizes cw's argument that both east and west were fraught and fragmentary

industrial modernity

JH warns that gdr may get swept under the rug...

but still he himself rejects gdr cultural legacy

118/ says he admires attempt to start eastern academy of arts... but this never came to be
