

Rudolf Bahro

question **some think of german reunification as an annexation of the former GDR.
do you agree?**

here are some links about the green party

<http://www.8ung.at/egak/n-danke.htm>

<http://www.gruene.de/jugend>

rudolf bahro was a prominent member of the greens

question **does he want a third superpower in europe?**

what's his stance on nationalism?

why? withdraw from nato... arms race

sickness of the totality

RB is against industry, against exterminism

question **is he green or red?**

what does he say about german unification?
