

L. 8 Oral Practice

1. Ask your partner how s/he spent Thanksgiving Day. Below are some words/phrases you should use.

過... 團聚 研究 歷史 想念 A 邀請 B V... 雖然...但是... 參加

2. Talking about how to spend Christmas.

- | | |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| A. Ask B whether s/he has any plan for Christmas. Going home? | B. Won't go back home for Christmas because too far (China). |
| A. Invite B to spend the holiday with your family. | B. Express your thankfulness & ask what food will be cooked. |
| A. Will cook authentic traditional Christmas food-turkey. Think it is not that easy for B to have it (好不容易才...) so that B can eat and drink whatever B likes to eat and drink. (QW..., QW...). | B. Be afraid of getting weight if do so. After the holiday have to be diet. I can cook authentic Chinese food for A's Family. Eating it will never get weight. |
| A. American holiday, not Chinese holiday. Should cook American food. Chinese New Year cook it then. | B. Agree, and will serve A Chinese liquor. |
| A. No, no. Too strong. Whenever you drink it you get drunk, then vomit. Not appropriate. (一...就..., 不雅) | B. If drink less, no problem. |

3. Buying beer at a store.

- | | |
|--------------------------------------------------------------------------------------|----------------------------------------------------------------------------|
| A. Greet B, and ask what you can help. | B. Want to buy some beer. |
| A. Ask what beer B wants to buy. | B. Ask what kinds A has. |
| A. German, American, and Chinese beer. | B. Tell A that it is for Korean students' party, and ask to recommend one. |
| A. Tell B that Chinese Qingdao receives welcome by most of Americans. | B. Ask why. |
| A. Tell B that many Americans think it tastes good, and not as strong as German one. | B. Want to buy two dozens. Ask how much per bottle. |
| A. \$1.65/bottle. Two dozens totally \$39.6. | B. Here is \$100. |
| A. Tell B that s/he gave \$100, and the total is \$39.6. \$60.4 change. | B. Thank A, and ask A if s/he can help put in a big box. |
| A. Sure, you can. Ask if B needs receipt. | B. Yes. |
