

**When & Where?**

The final Exam will be held on **Tuesday, May 21** from 9 AM to 12 noon in the Johnson Athletics Center.

**Material Covered**

This exam will cover:

- (i) all material discussed in lectures throughout the course
- (ii) all associated reading
- (iii) all homework assignments.

**This is a closed book exam. We will provide you with many equations. You may not use a calculator, and you are not allowed to bring any notes.**

***There is no make-up Final.***

We cannot excuse you from taking the Final Exam, only a dean in Counseling and Support Services can do that. Please keep in mind that if you don't take the Final (for whatever reason), you will receive a letter grade "o".

**Grading Policy**

See the *General Information*, handed out during the first lecture. You can find it on the 8.02 Home Page under "general information".

**Practice Tests**

Several tests (with solutions for some) given in previous years, which contain topics that have a large overlap with ours, can be accessed on our website under "previous years".

**Tutoring Schedule**

See the 8.02 Home Page under "tutoring".

*Good Luck!*

*Walter Lewin*
