17.181 / 17.182 Sustainable Development: Theory and Policy
Spring 2009

BONUS QUESTION –
PURELY VOLUNTARY

Please review the Topic Slides (or Guide to Core Concepts on GSSD website) as follows:

1. **Identify 2 Concepts (slides or Guide)**
2. **Review the contents carefully**
3. **Update content as you feel necessary**
4. **Justify your updates with a short explanation if needed.**

The goal is to provide a more recent 'mapping' of the core concepts you select.

Since this is a bonus question you get all the benefits of the doubt – as long as you inform the reader of what you are doing and why.

Please report the results in the same format that you use to review:

That is, the slides or the core concepts. They are exactly the same except for the formatting.
