Policy memo #2: Assignment survey

Your name:

Please list the names of your group members:

1. How would you compare your experience completing the first policy memo assignment to the second policy memo assignment with regard to...

a. ...how much you learned?

I learned more working on the first policy memo than on the second memo.

I learned more working on the second policy memo than on the first memo.

I learned about the same amount working on each assignment.

Additional comments are welcome:

b. ...how hard you worked?

I worked harder on the first policy memo than I did on the second policy memo.

I worked harder on the second policy memo than I did on the first policy memo.

I worked about the same on both assignments.

Additional comments are welcome:

2. As you know, the two policy memos are currently structured to include one individual assignment and one group assignment. Based on your experience, would you recommend changing this arrangement or keeping it the same in the future? In particular, do you think we should...

Make both policy memos individual assignments?

Make both policy memos group assignments?

Keep the arrangement as it is now (one individual, one group assignment)?

Additional comments are welcome:

3. For the second policy memo, all working group members will receive the same grade (the grade that is awarded to the memo). If there is/are any member(s) of your group whom you think deserve recognition for putting in above-average levels of effort on the assignment, please tell us who they are.
